IF IT AIN'T BROKE, DON'T FIX IT

His face was slick with sweat, black with grease, but this didn't spoil his boyish grin.

I am like a lot of women in that I know next to nothing about cars. The thought of changing my own oil or installing a new battery would never even occur to me. Let a professional do the work. That's my motto. Of course, this can be awfully hard on the pocketbook. Most places charge an arm and a leg for such services; parts and labor can add up fast.

Some garages have a ladies' day special in which they offer a discount to the fairer sex. Big fucking deal. Hell, I can't afford car maintenance even with their crummy discount.

I searched high and wide for the perfect garage, a place that did good work and was willing to negotiate on price. I finally found what I was looking for at an old-fashioned gas station on a stretch of rural highway near the county line. The mechanics, Mick and Pete, are a couple of good old boys with plenty of know-how about cars. They know a lot about sex, too. I learned this on my first visit to their garage; we worked out a special payment plan for a new timing belt.

This happened right after my

boyfriend Steve had dumped me for some bimbo waitress with bigger tits than mine. Mick and Pete took real good care of me during this difficult period, helping me forget all about Steve. And they're still helping me. In more ways than one, of course. I'm nothing if not a loyal customer. Sometimes I even pop in when my car is running just fine.

Like today—

Hands on the wheel, I pulled off the highway and braked to a stop in front of the little store adjoining the garage. Mick, the taller of the two mechanics, greeted me with a knowing grin.

"Good afternoon, ma'am," he said. "What seems to be the problem?"

"I blew a rod."

"Blew a rod?" he asked with mock seriousness.

"That's right; liked it so much I'm ready to blow another one."

Mick glanced over his shoulder, peering into the garage where Pete, his partner, worked beneath an old hatchback that had seen better days. Legs and sneakered feet; that's all I could see of Pete. At the moment, anyway. But I knew from

experience there was something special under those greasy coveralls of his.

"How about two rods?" Mick continued the charade.

"The more the merrier," I told him.

A lewd grin spread across his darkly handsome features. "Hey, Pete! Take five!"

A wrench clattered loudly on the garage floor; this before Pete rolled out from beneath the car on his creeper. Wiping his hands with a grimy rag, he sat up and looked our way. His face was slick with sweat, black with grease, but this didn't spoil his boyish grin. Pete was happy to see me.

I waved. He waved back.

"How 'bout a cold drink?" Mick asked.

"I'm fine," I told him.

He undressed me with his eyes. "You sure are."

Pete stayed in the garage while Mick locked up the store and flipped the little handmade sign—GONE TO LUNCH. I stood there beside my car, feeling fine in the April sunshine. The weather couldn't have been better. Blue skies. Not too hot,

Per standard procedure they flipped a coin to see who would get first crack at my cunt.

not too cool. I was quite comfortable in my strapless sundress.

Mick pocketed a set of keys and beckoned me to the garage. The space smelled of motor oil and sweat, familiar smells as this was my fifth or sixth visit. I was immediately turned on. My nipples stiffened; I hadn't worn a bra, so they rubbed against my lightweight dress.

Pete lowered the garage door, effectively cloistering us from the world outside. Party time, I thought with a rush of excitement. Our routine never varied. If it ain't broke, don't fix it, I reasoned.

Crouching before the two mechanics, eye-level with their bulging crotches, I licked my lips in anticipation. Mick unzipped, followed by

Moments later, I switched things around by giving Mick a handjob while sucking Pete's pecker. My pussy was wet. I made it even wetter when I reached under my dress and diddled myself.

I heard a car speed down the highway. The clueless driver had no idea what was going on inside the garage. Hell, it could have been Steve. If that jerk could see me now!

Having properly prepped Mick and Pete, I rose from the floor and walked over to the hatchback. The hood was raised. I slammed it shut. Then I bent over the grille, resting my forearms atop the hood.

Per standard procedure they flipped a coin to see who would get first crack at my cunt.

"Leave some for me," Mick told him.

"You bet, buddy. There's plenty of pussy here for the both of us. And it's good pussy—"

"Would you two quit jawing," I said, "and fuck me already!"

"You heard the lady," Mick said.

Pete most certainly did; he heard me loud and clear. Next thing I knew his cock was inside me, filling every inch of my snatch. I felt his coarse hands on my hips, felt them and loved them as he proceeded to thrust. He started slowly, but it wasn't long before he sped up. Pete fucked me faster and faster, his fingers digging into my flesh.

"There you go, Pete!" Mick said. "Fuck her good!"

His coworker's words had the desired effect, prompting Pete to double his efforts. Our bodies clapped loudly, clapped and slapped as he pounded my poon. I didn't want him to come, not just yet. I wanted him to save his load for later so that he could give it to me in tandem with Mick. Two ball-bags full, I thought with mounting excitement.

Pete seemed to read my mind; he withdrew his dick

before it was too late. "Your turn," he said to Mick.

"Don't mind if I do," Mick remarked, then plunged his dick into my cunt. His was a smaller dick than Pete's, but he knew how to use it. Hammering my hole with a relentless jabbing motion, he brought me close to the brink, not once but twice, before pulling out.

Neither of them said a word; instructions were unnecessary as I

Pete. They were big and hard, but I was determined to make them even bigger and harder.

I took Mick's meat in my mouth, gobbling him in earnest while wrapping my hand around Pete's prick. Moving my head to and fro, my lips encircling Mick's cock, I sucked him hungrily. Ever the multi-tasker, I stroked Pete with a deft pumping motion, sliding my hand up and down his turgid tool.

"Heads or tails?" Mick said to Pete.

"Tails," Pete replied.

I didn't watch them over my shoulder, choosing to keep my eyes on the windshield in front of me. It was dirty and cracked from one too many rocks.

"Damn!" Mick bellowed.

Pete laughed triumphantly. "Can't win 'em all. Fair is fair. I got sloppy seconds last time."

Breathing raggedly, my pulse pounding, I rubbed my clit as Mick probed my cunt lips.

knew exactly what they wanted.

And I wanted it to.

Boy, did I ever!

Turning around to face Mick, I sat on the hood, my feet dangling an inch or so above the concrete floor. I leaned back all the way, using the car for a bed as I spread my legs. Breathing raggedly, my pulse pounding, I rubbed my clit as Mick probed my cunt lips with his glans. He teased and taunted, working me

It was always a dizzying experience, having two beautifully big dicks in my face. I never knew which one to gobble first. Decisions, decisions. Pete made up my mind for me when he grabbed my head with both hands and rammed his rod into my gaping maw. He fucked my face none too gently, his swollen glans tapping the back of my throat with each savage jab.

Cock in hand, Mick watched the

horn.

"Hold your horses," Mick muttered irritably, shaking his head with annoyance.

He raised the garage door. I did a doubletake when I saw the car. It was Steve's! My asshole ex-boyfriend sat behind the wheel, looking too cool for school in his dark sunglasses. He wasn't alone. The bimbo waitress sat beside him. They recognized me when I stepped out

of the garage. Steve waved lamely. The bimbo wore a smug expression; she eyed me disdainfully as I walked over to my car.

No sooner had I slid behind the wheel and keyed the ignition than Steve knocked on the window. Give him the bird, I thought. But I promptly rejected this idea as being petty and immature. Hear him out, I told myself. Then I cranked down the window.

into a panting frenzy before skewering me in earnest.

Pete stood beside his coworker. Cock in hand, he stroked himself and leered at me. No doubt he was thinking about blowing his load all over my face and tits. I hoped he didn't get carried away, hoped he maintained composure and saved most of his spunk for the final act.

I wanted to finish them with my mouth. The taste of my pussy on a cock has always turned me on in a big way. I couldn't wait to feast on the two schlongs which had plowed my sweet poontang.

Thankfully, I didn't have to. Mick slid out and, rubbing shoulders with Pete, proffered his pecker. I hopped off the car and crouched before them.

spectacle with rapt attention. As for Pete—well, he knew what he was doing, knew to pull out before he got too excited, which he did in deference to his coworker. Mick took over. He fucked my face even harder than Pete. Tears filled my eyes. I gagged. This didn't deter Mick in the least; he kept right on until the dam broke.

By the time they exploded in my face I was having an orgasm of my own, one of the strongest in recent memory. Getting creamed in the face with their combined load always did the trick, making my pussy come.

Moments later, the three of us having straightened our clothes, a loud car pulled up to the closed garage door. The driver blasted their

"Hey," I said icily.

"Something wrong with your car?" he asked.

"What do you care?"

"Come on, Crystal. Don't be like that."

"I blew a rod," I said matter-of-factly.

He frowned. "That's bad news."

"Actually, I blew two of them," I told him, struggling mightily to keep a straight face.

But I just couldn't do it. The laughter poured forth, high-pitched and bordering on hysterical.

Steve looked at me like I had lost my mind. "What's so damned funny?"

I drove out of there, leaving him in a cloud of dust, and laughed all the way home.

I tried not to have sex for a week before Nick, but that didn't happen. I'm just too horny all the time and want to get fucked at least three times a week. My holes need filling and I've never had a problem filling them. Lucky for me.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, but you sent them to us anyway!

KAFKA COOZE

"Hold that thought," I told Ilsa, eschewing her sexual advances to grab my phone from the nightstand.

My stacked German girlfriend frowned. I hated to disappoint her, but the call couldn't be ignored. My car was in the shop; no doubt the service manager was contacting me with a quote. Hoping for the best while expecting the worst, I took the call. Moments later, having returned my device to the nightstand, I wore a frown as big as Ilsa's; this after being told that my car needed a new coolant hose.

"Bad news?" my girlfriend asked in the German accent which never failed to turn me on.

I told her what the service manager had said.

"How much is it going to cost?" Ilsa asked.

"A hundred and fifty," I said.

"That's not so bad," she replied. "It could've been a lot worse."

She was right, of course. I had feared a busted water pump or radiator; either one would've set me back at least a thousand bucks. Still, one hundred and fifty clams was a sizable sum for a gal like me. I wasn't exactly making a fortune at the restaurant where I waited tables. I could have asked Ilsa for the money—she would have given it to me gladly—but my stupid pride prevented me from doing so. I was determined to be a financially independent young woman, at all costs.

"They told me they'd have it done by this afternoon," I said.

"In that case," Ilsa replied, smiling coyly. "Where were we?"

Ilsa and I picked up where we had left off before being rudely interrupted by my phone. Fifteen years my senior, Ilsa taught German Literature at the university where we had met. I had taken her Kafka class as a senior. One thing had led to another and—well, we had wound up becoming lovers. Having graduated last May, I was waitressing and trying to figure out what I wanted to do with the rest of my life.

Now I lay on Ilsa's bed, sighing and writhing as she nibbled my stiff nipples. I ran the fingers of both my hands through her boyishly cut blonde hair.

"Ohhh," I moaned, "that feels so nice."

Ilsa's hand slid between my slender thighs. I spread my legs, opening myself for her deftly questing fingers. She played with my pussy, making me oh so hot and horny. Wetter than a waterslide, I gasped when she found my clit. It wasn't long before she withdrew her mouth from my tits and went down on me in earnest.

Ilsa ate pussy like a champion, never failing to get me off with her amazingly talented tongue. My thirty-six-year-old girlfriend wasn't my first female lover. But she was the best. By a country mile.

I cried out crazily then bit my lip as she gobbled my cunt

with increasing fervor. Ilsa was nothing if not a considerate lover. Still, she had needs too. No sooner had she made me come than I opened the nightstand drawer where she kept her strap-on dildo. While I preferred to have my pussy eaten, Ilsa liked to be properly fucked by a big toy cock.

I secured the plastic phallus to my trim waist and moved behind her. Ilsa craved it doggy style. She assumed the position with ease, lowering her head to the bed while raising her sturdy Germanic ass.

"Fuck my dirty kraut cunt!" she barked.

"Yes, Dr. Oberdorf," I said, addressing her as if I was still a student in her Kafka class.

She liked it when I talked like that. But she loved it when I plunged the prick into her pussy. I grabbed her curvy hips, digging my fingers into her ample flesh, and thrust repeatedly. Ilsa had a big butt, and I banged it with everything I had, driving my hips with all the force I could muster. She loved it hard, so I did my best to oblige her.

It was a major turn on, watching that big plastic prick ream her from the rear. Ilsa's bountiful bum shimmied and shook as I pounded her snatch. I fucked her as if my life depended on it. It was only fair, after all. She had made me come something fierce. Now I had to return the favor. In addition to teaching me the ins and outs of Kafka, my girlfriend had taught me to be a more generous lover. Her pleasure, I knew, was just as important as mine.

A barrage of stiff jabs did the trick, making her come in a big way. Ilsa shuddered before me. She turned her head to the side,

her mouth gaping, and hollered loudly as orgasmic spasms rippled through her body.

"I'm sorry about your car," she said around a cigarette after we had recovered.

Lying beside her, my head propped on a pillow, I said, "It was inevitable. That car is ancient."

Unlike yours, I thought jealously. As a high-ranking, fully tenured professor, Ilsa made good money. Damned good. She drove a high-end import, a luxury sedan with all the latest bells and whistles.

Ilsa said, "If you need some help—"

"No, no," I cut her off, "I can cover it."

Just barely, I said to myself. Mine was a fixed budget. Unforeseen expenses like medical bills and car repairs put a major strain on my pocketbook. Today's expense would wipe out my meager emergency fund.

Later that afternoon Ilsa dropped me off at the garage and drove on to the university to teach her night class. The service manager greeted me with a warm smile. "We've got you all fixed up," he said, producing the paperwork on my vehicle.

The small waiting area had been packed this morning when I had dropped off my car. Now it was empty. I heard the rumbling of a garage door being lowered. The mechanics were calling it a day. The place was about to close.

"It's a good thing you brought

her in when you did," said the service manager. "A leaky coolant hose is no joke. Your engine could've overheated."

Parting with a hundred and fifty bucks didn't sit well with me. Still, I handed over my card without complaint. And I wasn't surprised when he told me the card had been declined.

"The chip is wearing out," I explained. "You might want to tap it . . ."

No sooner had the words left my mouth than I grinned. Tap it. Yeah, sure, or tap my pussy! Preferably in lieu of taking my hard-earned money!

The service manager was handsome enough. I preferred women, yeah, but men weren't totally out of the picture. I still messed around with guys from time to time, invariably when I grew weary of Ilsa's dildo and

I hadn't had a dick in my mouth in many months. I licked my lips eagerly and knelt before him. He stood in front of the service counter, wagging his wang in my face. I pushed his hand aside and grasped his shaft, lifting it so that I could lick its underside. My tongue brushed him, ballbag to glans, again and again. I did this slowly. He groaned, his pole growing stiffer as I licked it repeatedly.

"Suck my balls, baby," he muttered.

The service manager didn't have to tell me twice. Having thoroughly lubed his rod, I migrated south and proceeded to service his nuts.

He groaned louder this time, groaned and sighed heavily. Stroking him deftly, I licked and lapped his ballbag until his prick was harder than a socket wrench.

"Where do you want to screw me?" I asked after properly prepping him for the forthcoming fuck.

"That," he said, pointing to a couch in the waiting area, "looks good to me."

I hastened out of my skirt and panties, leaving my blouse on as I lay on the couch. I wasn't ashamed of my tits, not in the least, but this was going to be a quickie, and I didn't want to waste time unbuttoning my blouse and removing my bra.

The service manager didn't complain. He did, however, drape my legs over his shoul-

ders and mount me. His cock stretched my cunt, making me grunt as he plunged it inside me. He fucked me like a man possessed, pounding my pussy in this manner until I told him that I wanted to ride him.

He was all for it, rolling off and switching places with me. Opting for the reverse variety, I turned around and straddled him. I started to grab his cock, but the service manager was way ahead of me; he held his prick steady so that I could impale myself with ease.

"I love your big fat cock," I told him.

"Ride it," he said bluntly.

So that's what I did. I rode it with everything I had, moving my hips frenziedly as he held my waist with both hands. I progressed to a pogoing motion, bouncing in his lap, my pussy shucking his member as I moved up and down. Mine was a strong orgasm, so strong that I actually squirted, which was exceedingly rare for me. Undoubtedly turned on by my trickling twat, the service manager cried out loudly and blew his wad, though not before I had climbed out of the saddle and proffered my face for a hefty application of jizz.

Having gotten dressed and wiped my features clean with a paper towel, I thanked him for his willingness to negotiate my repair bill.

"It was my pleasure," he said, handing over my keys and walking me to my car.

I watched my temperature gauge the whole way home. The needle behaved, never once veering into the red. My car was okay for the time being.

As for the next repair—well, I could hardly wait!

found myself craving a real cock.

Now was definitely one of those times as I saw an opportunity to get off and save money. Of course, it takes two to tango. Would the service manager go for my idea? There was only one way to find out. He was just about to tap my card when I told him to tap my ass instead. He did a doubletake. But he didn't say no.

"I'm DTF," I told him matter-of-factly.

The service manager searched my face. Then he returned my card. By now the mechanics had gone home. Just the two of us, I thought excitedly. I couldn't wait to see his cock. Thankfully, I didn't have to wait very long. He locked the front door, lowered the blinds, and whipped it out.

PHYLLISHA ANNE

"Sexy Steve brought me a nice little thing this morning, and just look at what I'm doing for him. I'm offering my tight little ass for the first time. Yes, it is something special because all the sex I give is something special. We'll stop at dawn when I take that last load right into my big, beautiful, waiting mouth. Yummy."
